ARTICLE VIII - LEAVES AND HOLIDAYS

8.1 Sick Leave:

Sick leave means a leave of absence with pay for an illness suffered by an employee or his/her immediate family.

8.2 Definition of Immediate Family:

For purposes of this Article, immediate family shall mean spouse, children, father, mother, brother, sister, grandparents, grandchildren, relatives of the employees spouse to a like degree, and members of the employee's household.

A. Usage

Sick leave must be taken in no less than half-hour increments.

B. Accumulation

1. Each full-time employee is entitled to and shall earn sick leave credits from the first full pay period of employment. For calculating sick leave credits 2,080 hours (52 weeks x 40 hours) shall equal one (1) year. Proportionate sick leave credits shall be earned and credited at the end of each pay period. Sick leave credit shall be earned at the rate of twelve (12) working days for each year of service without restriction as to the number of days he/she may accumulate.

2. An employee may not accrue sick leave credits while in a leave without pay status. Employees are not entitled to be paid for sick leave until they have been continuously employed for ninety (90) days. Upon completion of the qualifying period, the employee is entitled to the sick leave credits he/she has earned.

3. Permanent part-time employees are entitled to prorated leave benefits if they have a regularly scheduled work assignment and have worked the qualifying period.

4. Full-time temporary and seasonal employees are entitled to sick leave benefits, provided they work the qualifying period.

C. Pay for Unused

1. An employee who terminates his/her employment with the District is entitled to a lump-sum payment equal to one-fourth (1/4) of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave shall be computed on the basis of the employee's salary or wage at the time he/she terminates employment.

2. Accrual of sick leave credits for calculating the lump-sum payment, as provided for in this section begins July 1, 1971. The payment therefore shall be the responsibility of the District wherein the sick leave accrues. However, no employee forfeits any sick leave rights or benefits he/she had accrued prior to July 1, 1971

3. An employee who receives a lump-sum payment pursuant to this section and who is again employed by the District shall not be credited with any sick leave for which the employee has previously been compensated.

D. Sick Leave Bank

During the school year any employee may, at the assistant's discretion, donate not more than two (2) days, nor less than one-half (1/2) day, of sick leave to an employee who is in need and will exhaust sick leave due to a personal illness, temporary disability, or a serious health condition of the employee's spouse/domestic partner or minor child (under age 18). The total of such donated sick leave shall not

exceed sick leave accrued by the recipient at the time the illness began. Limitations herein shall not prevent the Administration from allowing greater consideration if extenuating circumstances exist. Any such donor shall notify the Superintendent on forms provided by the District of the intention to make such donation. The donor and recipient have no later than five (5) working days after the recipient's return to work to notify the Superintendent of the requested leave transfer. Donated leave will be drawn in order of date of such receipt. A drawing will be conducted to determine order of usage for donations bearing identical dates of receipt. Any unused sick leave shall be returned to the donor(s).

8.3 Personal Leave:

Three (3) days per year, with pay, shall be allowed each employee to attend to personal matters. However, use of such leave shall be in units of no less than half-hour increments. At least two working days' written notice (District form) shall be required except in case of emergency.

Personal Leave may be taken during student non-attendance days but shall not be taken to extend an existing student holiday. Extenuating circumstances which are unanticipated and unpreventable may be afforded consideration. This leave is not accumulative and employees leaving the District will not be reimbursed for any unused personal leave.

For purposes of prorating this leave the school year shall be divided into three equal parts. When an employee is hired they shall receive credit for the time remaining. For example if an employee is hired during the first trimester they receive three days, if that same employee were hire during the last trimester they would receive one day. This leave can be used regardless of the employee's probation status.

8.4 Bereavement Leave:

All employees shall be allowed up to five days absence for deaths in the immediate family without loss of pay, per incident. In the event the employee needs additional time up to 5 days may be awarded at the discretion of their immediate supervisor. In addition, one on one Para Educators will be allowed one day absence in the event of the death of a student for whom they are currently providing direct care.

2. Vacation leave must be taken in no less than half-hour increments.
3. If more than one (1) employee in a department requests a particular period of time for his/her vacation and if in the opinion of the employer only one (1) can be released during this period of time, the most *senior employee shall be provided that time off*. Should the same two employee request the same vacation time 2 or more years in a row, a rotation vacation schedule for those requests will be established by the immediate supervisor.

4. Supervisors shall respond to requests for vacation within five (5) working days.

B. Rate

1. Vacation leave credits are earned at a yearly rate calculated in accordance with the following schedule, which applies to the total years of the employee's employment with a school district whether the employment is continuous or not:

Working Days Credit

Years of Employment:	Based on 12 months	Based on 9 months
1 day through 10 years	15	11.25
10 years through 15 years	18	13.50
15 years through 20 years	21	15.75
20 years on	24	18.00

Vacation leave credits shall be earned and credited at the end of each pay period.

2. Each full time employee is entitled to and shall earn annual vacation leave credits from the first full pay period of employment. Vacation leave credits earned shall be credited at the end of each pay period. However, employees are not entitled to any vacation leave with pay until they have been continuously employed for a period of six (6) calendar months.

For calculating vacation leave credits, two thousand eight (2080) hours (52 weeks at 40 hours per week) shall equal one (1) year. Regular part-time employees (those who work less than 40 hours per week) are entitled to pro-rated annual vacation benefits if they have worked the qualifying period. However, for purposes of calculation of years of employment to determine the rate of earning vacation leave credits, a school year shall constitute a full year of employment.

Employees working less than twelve (12) months shall earn vacation credits. However, such persons must be employed six (6) qualifying months before they may use the vacation credits.

C. Accumulation

1. Annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within ninety (90) calendar days from the last day of the calendar year in which the excess was accrued.

2. Absence from employment by reason of illness shall not be chargeable against unused vacation credits unless approved by the employee. Should an employee become ill on his/her annual vacation, he/she shall have the option to use sick leave rather than annual leave. The employee must notify his/her supervisor immediately of such illness.

3. Vacation leave shall not accrue during a leave of absence without pay, the duration of which exceeds fifteen (15) days.

D. Cash for Unused Vacation

1. An employee who terminates his/her employment with the District for reason not reflecting discredit on him/herself, shall be entitled to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in Section 2-18-611 MCA. The employee will be paid for unused accumulated vacation leave at their hourly rate in effect at the time of termination of employment.

Any cafeteria benefit amount not designated for use in the cafeteria plan may be used by the employee for a tax-sheltered account available through the District payroll. If a Para Educator does not elect to use all the district contribution for cafeteria plan benefits or a tax-sheltered account, the balance may be taken as cash. Part-time Para Educators may receive a prorated cash amount (minus the single premium prorated health insurance rate) if they choose not to be a member of the health plan.

A summary of Cafeteria Plan benefits shall be furnished to all Para Educators.

The Non-Participation Account

On June 30th of each school year the amount of the “Cash Balance”, the “Reserve for Attachment Point” and the “Reserve for Run Out” of the Self-funded Health/Benefits plan will be reviewed to determine the distribution of the Non-Participation account. If the “Cash Balance” amount is less than 1.25% of the combined total of the “Reserve for Attachment Point” and the “Reserve for Run Out” amount then the amount in Non-Participation account will be placed in the Self-funded Health/Benefits Plan as it accumulates during the next school year. If the “Cash Balance” amount is greater than the 1.25% as explained above, then the amount in the Non-Participation account will be placed in the general fund budget as it accumulates during next school year.

B. Cafeteria Plan Offerings

The Health Benefits committee shall recommend the required and optional offerings of a cafeteria plan of benefits to the Board of Trustees for approval. The cafeteria plan will include as a required minimum, Health Coverage (including Dental and Optical), and Life Insurance for employees.

The School District’s only obligation in the above Article is to make the appropriate payment including written authorized withholdings from the employee to the insurance policy, carrier, or trust. The School District is not obligated or held liable for the failure of an insurance policy, insurance company, insurance provider and/or trust to provide coverage and/or failure to pay benefits. The partially self-funded benefits program(s) is not subject to this Section.

C. Part-Time Employees

For purposes of insurance coverage an employee shall be considered full time if he/she is regularly scheduled to work 35 or more hours per week. Employees regularly scheduled to work less than 35 hours per week shall have the district’s contribution prorated based on hours worked. All Para Educators hired prior to May 1, 1999 shall be considered fulltime if he/she is regularly scheduled to work 30 or more hours per week. *(Para Educators employed at least 20 hours per week but less than 30 hours per week prior to July 1, 1985, shall be treated the same as Para Educators who work 30 hours or more per week for purposes of the contribution toward the single employee rate of the District Health Insurance Plan, provided they remain in the same position status since July 1, 1985.)*

D. Retirement and Termination

Employees, who retire under the provisions of the Public Employees Retirement System, or the Teachers Retirement System, may choose to continue on the School District Health Insurance Program by paying their own premium.

Should an employee terminate his/her employment with the district, the district contributions shall cease, effective at the end of the month of contribution except as noted in E of this section.

E. Insurance Committee

The District Insurance Committee shall review and make recommendations to all District employee groups and the Board of Trustees on matters concerning the District’s insurance program. The Association shall appoint members to the committee in accord with the representation guidelines stipulated in the District Insurance Committee operating guidelines.

9.5 Continuing Education:

The Board shall pay the full cost of tuition, books, meals, lodging, transportation, and other reasonable expenses incurred by an employee in connection with any course, workshop, seminar, conference, and in-service training session which the employee takes at the request of the Board or Administration.

9.6 Travel Expenses:

All employees required to travel as part of their duties will receive reimbursement for travel at the rate established by Montana law. When an employee is required to travel as part of his/her duties, time spent in travel shall count as hours worked, including travel from one worksite to another and travel which is required outside the employee's normal workday.

An employee may request and obtain advance payment of approved expenses.

Where authorized travel is not required but is job related and beneficial for the employee and employer, reimbursement at an agreed upon rate may be arranged between the employer and the employee, provided an agreement to this affect is reached between the employee and employer prior to the travel.

9.7 Retirement

The employee is required to belong to the Public Employees Retirement System (PERS) or the Teachers Retirement System (TRS) as defined in Title 19 MCA

Retirement Benefit

Any retiring Para Educator with twenty (20) years or more of Helena School District #1 experience will receive \$6,000.00 in termination pay. Written notification of retirement plans must be submitted to the District ninety (90) days previous to the date of retirement. Issues or concerns regarding a Para Educator's eligibility or hardship situations for the "Retirement Benefit" may be brought forth to the District Superintendent by the HEA President.

9.8 Building/Faculty Meetings

One HEA representative at each school will be paid (their regular rate of pay, no overtime) to attend the school's building/faculty meeting once a month if a meeting is held. The designated representative must be a Para Educator who would not require a substitute to attend the meeting and documentation of their attendance at the meeting must be recorded.

ARTICLE X - GRIEVANCE PROCEDURE

10.1 Purpose:

The purpose of this procedure is to secure, at the lowest level possible, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of personnel. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

10.2 Definitions:

Grievant - shall be an employee, a group of employees or the Association asserting a grievance.

Days - reference to days in this procedure shall mean working days.

10.3 Right to Representation:

B. Association Representation

An Association representative may be present for any meeting, hearing, appeal, or other proceeding(s) relating to a grievance.

10.4 Procedure:

A. Level One - Informal

Within fifteen (15) of the occurrence, or within fifteen (15) of the time that the grievant becomes aware of the occurrence of the grievance, or by reasonable diligence should have become aware of the occurrence of the grievance, the grievant shall discuss the situation with his/her immediate supervisor with the objective of resolving the matter informally. Immediate supervisor will normally mean the building principal.

B. Level Two - Principal/Supervisor

If the grievant is not satisfied with the disposition of the grievance at Level One, he/she may file a written grievance to the building principal, or to their immediate supervisor within ten (10) days of the informal meeting. The grievance shall include the nature of the grievance, the specific clause or clauses of the Agreement allegedly violated, and the remedy requested. The principal/supervisor shall provide a written answer to the grievance within ten (10) days after the meeting. Such answer shall include reasons for the decision.

C. Level Three - Superintendent

If the grievant is not satisfied with the disposition of the grievance at Level Two, he/she may appeal the grievance to the Superintendent of Schools or his/her designee. This appeal must be presented five (5) days of the receipt of the Level Two decision. If the grievance is properly appealed, the Superintendent or designee shall have ten (10) days in which to investigate, hold hearings and submit a written response to the grievant. In all cases the Superintendent shall meet with the grievant within ten (10) days to discuss and attempt to resolve the grievance. The written response shall include reasons for the decision.

D. Level Four - Board of Trustees

If the grievance has not been resolved at Level Three, the decision of the Superintendent may be appealed to the Board of Trustees for consideration within five (5) days of the receipt of the Level Three decision. The appeal shall be in writing and shall be accompanied by the decision at Level Three.

The Board, or a committee thereof, shall meet with the grievant at a special meeting or at its regularly scheduled meeting. The District shall have at least five (5) days prior to the regularly scheduled meeting to place the grievance on the Board agenda. Either the administration or the Association may call witnesses and submit evidence as well as present argument during this hearing. The decision reached in Level Four shall be issued in writing to the grievant no later than ten (10) days following the Level Four meeting and shall include reasons for the decision.

E. Level Five - Arbitration

1. Submission to Arbitration

If the grievant or the Association is dissatisfied with the disposition of the grievance at Level Four, the grievance, only at the option of the Association, may be submitted to arbitration. The Association shall exercise this right by giving written notice to the superintendent within five (5) days of the decision at Level Four.

2. Selection of the Arbitrator

Upon submission of a grievance to arbitration under the terms of this procedure, one of the parties shall, within five (5) after the request to arbitrate, request the Board of Personnel Appeals to provide both parties with an identical list of names and addresses of five (5) persons who have indicated a desire to provide services as arbitrators. The Association and a representative from the Superintendent's Office shall, within five (5) days of the receipt of such lists, meet and by alternately striking names from the list, select the arbitrator by requesting the services of the last name remaining on the list.

3. Decision of the Arbitrator

The arbitrator shall be requested to render a decision within thirty (30) calendar days of the close of the hearing and such decision shall be final and binding upon both parties. The arbitrator shall have no authority to alter, vary, add to, or subtract from the terms of this Agreement. The arbitrator shall decide all substantive and procedural arbitrability issues. The arbitrator's decision shall be based on the specific provisions of this Agreement. The arbitrator shall notify both parties of his/her decision in writing.

F. Jurisdiction of the Arbitrator

1. Scope

The arbitrator shall decide all substantive and procedural arbitrability issues. Upon request of either party, the merits of a grievance and the substantive and procedural arbitrability issues arising in connection with that grievance shall be consolidated for hearing before an arbitrator. The arbitrator shall not resolve the question of arbitrability of a grievance prior to having heard the merits of the grievance.

However the arbitrator is required to rule on any arbitrability issue prior to any consideration for a ruling of the merits of the grievance.

2. Enforcement

The award of the arbitrator may be entered in any court of competent jurisdiction should either party fail to implement the award. Each party shall bear its own expenses in connection with court review.

3. Expenses of Arbitration

Each party shall bear its own expenses in connection with arbitration including expenses relating to the party's representative, witnesses, and any other expenses which the party incurs in connection with presenting its case to arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, the cost of the transcript or recording if requested by both parties, and any other expenses which the parties mutually agree are necessary for the conduct of the arbitration. However, if only one party orders a copy of the transcript that party shall pay for such copy.

10.5 Exceptions to Timelines:

Since it is important that the grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified, may, however, be extended by mutual agreement.

Failure of the grievant or the Association to act on any grievance within the prescribed time limits will act as a bar to any further appeal, and the District's failure to give a decision within the time limits shall permit the grievant to proceed to the next step.

10.6 No Reprisals:

No reprisals of any kind will be taken by the Board against any person because of participation in this grievance procedure.

10.7 Access to information:

The School District is a public agency and as such the association will have access to all public documents, as provided by statute.

10.8 Personnel Files:

All documents, communication, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants and will be confidential to anyone other than the parties.

10.9 Election of Remedies and Waiver:

Once the grievant or the Association has filed any complaint or other action with any county, state, or federal agency, tribunal or other legal forum seeking the same remedy all rights to file or pursue a

grievance under this Article shall be forever waived. All provisions of this article shall be in accordance with MCA 39-31-306 (5).

ARTICLE XI - EVALUATION

11.1 The Evaluation Process:

All employees should be observed and evaluated at least once each year by their building principal or department supervisor.

The employee's signature on the evaluation form indicates only that the employee has reviewed and discussed the evaluation with the immediate supervisor. Each employee shall receive a copy of the evaluation. After the formal evaluation form has been received, an employee may submit a written rebuttal which shall be attached to the employee's formal evaluation and placed in the personnel file. If an evaluation is not considered positive the employee may appeal the evaluation to the Labor-Management committee for review. It is understood that if no evaluation is done, it is considered a positive evaluation.

11.2 Conditions of Evaluation:

All monitoring and observation of the employee's performance shall be conducted openly and may be utilized by the supervisor as part of the total assessment of the employee's ability to meet the expectations of the position.

11.3 Unsatisfactory Performance by an Employee:

Unsatisfactory performance noted by the supervisor(s) in observations should be reported to the employee as soon as possible. When unsatisfactory performance is noted on an employee's evaluation, the supervisor(s) shall provide written suggestions for improvement. The employee's failure to remedy the unsatisfactory performances may result in disciplinary action.

ARTICLE XII - TRANSFERS AND LAYOFF

12.1 Seniority:

A. For purposes of this Agreement, seniority will be defined as the total number of hours of continuous employment within the bargaining unit. Seniority will continue to accrue during paid leaves of absence, FMLA leave and up to one year while on worker's compensation. If more than one employee has the same date of hire, seniority ranking shall be determined by drawing lots.

B. Seniority shall terminate upon discharge for cause or voluntary severance of employment. When employees are laid off due to a reduction in force, the employee shall retain his/her seniority status for a period of two (2) years.

C. By January 30 of each year, the district will provide the Association with a list showing the seniority of each employee in the bargaining unit. The district will have a current list available at the personnel office which will be available for inspection during regular working hours.

Assignments, Transfers, Vacancies and Exchanges.

Para Educator positions within the District may be filled by increasing work hours, reassignment within a building, voluntary or involuntary transfer, advertised vacancy and/or through exchange. Procedural process for filling positions within the District is as follows: 1) Building principal/supervisor will review requests for increasing hours or reassignment within the building. 2) Transfers will be reviewed. 3) Position will be filled through a selection process that includes applicants from outside the District. Prior to filling a bargaining unit vacancy announcement, the personnel office will review the active voluntary transfer requests and/or voluntary work hours increase requests for possible transfer(s) or increases. It is understood that the personnel needs of the district must supersede the needs of the individual in regard to selection of individuals to fill any bargaining unit position. Should a bargaining unit member who submitted the appropriate request for consideration to a position, not be granted that position, then the bargaining unit member may submit a written request to the Personnel Office for clarification of why the request was not granted and the Personnel Office will provide the clarification.

A. Assignments:

For the purpose of this article “assignment” shall be defined as the duty category the Para Educator has been assigned within a particular building. Para Educators assigned to student services are to be considered as one building; also Para Educators assigned to school aged child care (SACC) are to be considered as one building.

The assignment of Para Educators shall be made by the Superintendent or the Superintendent’s designee. Para Educators wishing a change of assignment shall provide written notification to their building principal/supervisor or student services administrator by September 15th of each year. The District administration shall determine which Para Educator within a building is best qualified for the assignment. If qualifications are determined to be equal then seniority will prevail.

B. Transfers

“Transfer” shall be defined as an administratively initiated change of personnel to another building within the district. Para Educators assigned to student services are to be considered as one building; also Para Educators assigned to school aged child care (SACC) are to be considered as one building.

The Board and Association both agree that voluntary and involuntary transfers may be both necessary and desirable to fulfill the District’s educational goals and policies.

C. Voluntary Transfers

Bargaining unit members wishing to voluntarily transfer to another building shall initiate a request in writing with the Personnel Office and their immediate supervisor and if appropriate the student services supervisor. The written request must be specific as to building preference, classification and hours. These written requests will be valid for transfer consideration for a period of one calendar year. Consideration will be given to transfer requests as assignments are made and openings occur. Transfer requests received after a specific position is posted will not be considered for that specific position and the employee must complete the application process for a vacancy if they wish to be considered for that position. The decision to grant a voluntary transfer must be mutually acceptable to the District and the individual requesting the transfer. The District will consider skills, ability, training, appropriate experience, the needs of district and seniority for voluntary transfer requests. If skills, ability, training, and experience are equal, seniority will be the determining factor.

D. Involuntary Transfers

The Board and Association agree that involuntary transfers should be held to a minimum. Management will consider extra-ordinary circumstances as part of the decision-making process. Before any bargaining unit member is subject to an involuntary transfer, the district shall solicit qualified volunteers from employees in the affected building(s). Should no volunteers be found, the least senior qualified employee will be transferred. Qualified as used in this section shall be defined as meeting the minimum qualifications of the open position.

E. Voluntary Work Hours Increase

Para Educators working less than eight (8) hours per day, who desire an increase in their work hours in the same building, shall initiate a request in writing to their building administrator and/or their immediate supervisor and if appropriate the student services administrator at the beginning of each school year. In addition, Para Educators working less than eight (8) hours per day, who desire an increase in their work hours and would be willing to travel between buildings, shall initiate a request in writing to the Personnel office at the beginning of each school year. Consideration will be given to work hours increase requests as openings occur and assignments are made. The Association acknowledges that the personnel needs of the School District must supersede the personal needs of any applicant.

F. Vacancies

Vacancies shall be defined as the existence of a District-determined need to obtain additional staff resulting from unfilled assignments within the District.

Postings will include: Classification of position or job title, minimum qualifications and location(s) of vacancy.

Bargaining unit members who have not submitted an appropriate request for a position prior to the position being posted who wish to apply for the posted vacancy shall make application during the defined recruitment period.

Where specific training, experience, or other qualifications are prerequisites, such considerations shall be stated in the vacancy notice.

In each instance, following the application deadline date, existing staff shall be extended first consideration. First consideration is defined as the opportunity to complete all competitive screening and testing tasks required of non-member candidates and automatic selection for an interview.

The employer will make an effort to fill all bargaining unit positions with a bargaining unit member if the applicants are determined to be equally qualified through the selection process utilized for the position. Where two or more bargaining unit employees are determined to be equally qualified, seniority will be the determining factor.

The Association acknowledges that the personnel needs of the School District must supersede the personal needs of any applicant.

The District, when possible, will maximize the number of full-time positions and limit the number of part-time positions.

Posting Available Positions.

All Para Educator positions that may be filled by the procedures outlined in Article 12.2 or through the application process will be posted for a period of five (5) working days, except if a vacancy occurs ten (10) working days prior to or after the first day of school. Vacancies occurring within this period will be filled in a manner which best meets the immediate needs of the district and are not subject to the provisions of this Article.

Posting consists of placing the position on the District website and sending the posting notice via electronic mail to one HEA representative at each building as designated by the Association President. Problems associated with posting positions should be brought to the attention of the Association President. The District may generate and distribute a general recruitment posting to media and other sources for recruitment of a pool of potential applicants from outside the District for possible employment.

The District and Association recognize the importance of workplace continuity, as well as the fact that existing staff may best qualify for and desire a position becoming available during the school year. It is also recognized that the most prudent method of filling vacancies may occur at the beginning of the next school year.

If an existing bargaining unit member is selected to fill a vacancy, it shall be so announced. The administration, however, shall determine when the staffing change shall occur. A temporary replacement may be utilized to complete the remainder of the school year in the initial vacancy. The successful, in-District applicant shall assume the duties of the initially advertised position no later than the beginning of the ensuing school year.

H) Exchange

The District recognizes the value that a change of assignment may provide to a bargaining unit member and to the District. The potential for improved services, personal development, training and the opportunity to expand and explore areas of interest are factors that could be reasons to participate in an exchange. A reasonable effort shall be made to return the members to the assignments held immediately prior to the exchange. Members that do exchange may mutually request by May 1 that the exchange be made permanent upon administrative approval.

Para Educators who would like to exchange assignments for one year shall submit requests to their principals/supervisors by May 1. The principals/supervisors shall review the requests, conduct interviews, and forward recommendations to the Personnel Office for a final decision.

For the purposes of this Article bargaining unit members may grieve district assignment, involuntary transfer, vacancy, or exchange decisions only if a member's rate of compensation or degree of benefits is reduced as a result of district action, or if the procedures stipulated for involuntary transfer are not followed.

12.3 Layoff:

If a reduction in the number of employees is required, employees will be laid off in the order of least seniority within job classification and building assignment. Employees to be laid off will be given at least 30 calendar days notice before the effective date of the layoff.

12.4 Recall:

- A. Whenever there is a vacancy in a bargaining unit position, laid-off employees who are qualified to perform the work in question will be recalled in order of seniority. No new employees shall be employed by the Board while there are employees on layoff, unless none of the employees on layoff is qualified to fill the position in question.
- B. If a laid-off employee has been recalled to a position other than that held immediately prior to layoff, he/she will be eligible for transfer into his/her original position according to the provisions of this Article should that position be reinstated.
- C. Notice of recall will be given by registered mail to the last address given to the Personnel Office by an employee. A copy of the notice of recall will be given to the Association. If an employee fails to respond within seven (7) calendar days after receipt of the above notice of recall, the employee will be deemed to have refused the position offered.
- D. An employee who is laid off will remain in the recall list for two (2) years after the effective date of layoff unless the employee
1. Waives recall rights in writing
 2. Resigns
 3. Fails to accept recall to the position held immediately prior to layoff or to a substantially equivalent position
 4. Fails to report to work in a position that he/she has accepted unless such employee is sick or injured. If an employee has temporary employment elsewhere, he/she will be allowed a reasonable amount of additional time (normally two weeks) before being required to report to work.

12.5 Recall Seniority/Pay Schedule:

Para Educators who were laid off because reduction force and become reemployed by the School District within two (2) years of the date of the reduction in force will return to their previous level of seniority and placement on pay schedule

12.6 Layoff Benefits:

- A. During the period of layoff, the employee shall be entitled to continue participation in the health insurance program at their own expense.
- B. All benefits to which employees were entitled at the time of their layoff will be restored to them upon returning to active employment and they will be placed on the proper step of the salary schedule for their current position according to their experience. This provision does not apply to accumulated vacation or sick leave for which an employee has received compensation.

ARTICLE XIII - LABOR MANAGEMENT COMMITTEE

13.1 Labor Management Committee:

Both the District and HEA embrace a problem-solving approach that will encompass a shared decision making process fostering trust and respect. The HEA and District will accept responsibility for the decisions achieved through the shared decision-making process. The District and HEA will strive to be

unbiased and truly look for solutions that will benefit students, employees and the community. The Employer and the Association agree to the establishment of a Labor-Management Relations Committee.

Section 2. Training regarding LMC's will be encouraged. The LMC will be composed of six people who include the HEA President and the District Superintendent or designees. Both the HEA President and the District Superintendent will appoint two other individuals to the committee.

Section 3. The Committee shall meet at a mutually agreed date, time and place.

Section 4. The bargaining unit Association members will receive paid release time to attend meetings when scheduled during normal work hours.

ARTICLE XIV - EFFECT OF AGREEMENT

14.1 Complete Agreement:

For the term of this Agreement no change shall be made in any provision of this Agreement unless by mutual consent of the parties hereto.

14.2 Interim Amendment:

Changes or additions to this Agreement during its term may be negotiated only upon mutual agreement of the parties to this Agreement. Any agreed to changes or additions shall be made effective upon any date agreed upon by both parties. In order for any changes to be effective, they must be set down in writing and approved and signed by the Association and the Board.

14.3 Savings and Severability:

In the event that any provisions of this Agreement shall be declared invalid at any time or unenforceable by any court of competent jurisdiction or through government regulations or decree, such decision shall not invalidate the entire Agreement, it being the expressed intention of the parties hereto that all other provisions not declared invalid or unenforceable, shall remain in full force and effect.
