Issue 3

Standing Meal Orders

I am happy to share with you that over 80% of all the orders each week are from the standing order program. The nice thing for us about all this, is that we can prepare & build a stable program on the commitment from parents. We also have found that if we have not checked off your name at a site that we have the phone number to call and remind you to pick up that day.

Please remember that once you submit the standing order you do not need to do it again. That is the purpose of the standing order, so you do not need to do it every week.

Pre-Order Distance learning Meals Here (DLMD)

Here is the link for the weekly order for meal pick up on Wednesday the 14th

[DLMD Week 10/14-10/20](#)

Here is the link that will allow you to put in a **standing order only 1 time all together** for as long as the program is running.

[DLMD Standing order link](#)

Here is the new link letting us know that you **can not** pick up your meal this week and you need to cancel your standing order

[DLMD Cancellation Link](#)

If you are unable to pick up meals at any of the times or locations that we currently offer, please contact our office we will work with you to arrange an alternative pick up time on a one by one basis.

406-324-2570

No School days 10/15-16

We want to make sure that everyone knows that even though we only are in school Monday and Tuesday next week, due the MEA conferences, we are still going to be offering our meal program for the full 5 days on Wednesdays like normal.

Facebook

We are happy to announce that we will have the new Facebook page set and ready for use with next weeks Newsletter. This site will have all the information you need to do weekly orders, access the weekly newsletter and find out about pertinent information about food service.

We are going to still send out weekly emails because there are many people that do not have Facebook accounts so you will still get the email. Overall the more access and knowledge people have the better chance we have find hunger in Helena.

Meals

We wanted to share with all of you that we ended up serving 49,177 meals last month. If we keep at the current participation levels that we have seen these past 10 days, we expect that we will serve between 65-70,000 meals in October

October Menus.

<https://helenaps.sodexomyway.com/landing>

If you want to access all the menus here is the link for all the programs, including the distance learning meals. We are trying to match the menus as best we can, but with new opportunities and challenges we will have the occasional error. Please watch for changes in the menu online to make sure that you have the most current data.
