

# Week of Nutritional Services Weekly Newsletter

NOV 19<sup>th</sup> -  
NOV 25<sup>th</sup>

**We will be open next week at regular times and places for distant learning meals!**

Please make sure to pick up meals at the regular times and places next week. School may be closed but kids still need to eat, and we will be there to feed them.

**All standing order meals need to be renewed for the January 6<sup>th</sup> pick up**

We understand that things may have changed for family's and not everyone needs the meals any longer or can not pick up meals like they once did. We will be shutting down the current standing order system December 16<sup>th</sup>. December 17<sup>th</sup> everyone will need to sign up again and start fresh in January. We will run the next standing order session until the week before spring break. At that point we will do the final round of standing orders that will go through the rest of the year. Unfortunately, there are almost 1000 meals not being pickup and we can not longer afford to do that.

## Reminder emails starting soon

Starting in January, we are looking at utilizing software to send reminder messages through **Remind**. You will receive a text asking for your permission to receive reminder messages to pick up your food each Wednesday. Replying "yes" allows you to receive these messages. You do not need to download the Remind app on your phone to receive these messages. They will come through as a regular text message on the morning of the distant learning meal. Depending on your phone plan fees may apply for receiving texts.

We will serve meals during winter break.

We will be serving meals during winter break this year, but **you will need you to fill out this special form below that is only for the winter break meal distribution. If you filled out the Standing order form it will not count for these two days.**

We will not be able offer meals at all locations, these 5 sites and times will be the only locations available to pick up the meals from. We will be asking for names and phone numbers so if you do not show up in the first hour, we will be calling you before service is over to remind you.

**Dec. 23<sup>rd</sup> and Dec 30<sup>th</sup> only**
