

Lights On, Helena!

We invite you to join us this January and February as we leave the **Lights On** to honor individuals and groups working above and beyond for our community.

Lights On, Helena!

Leave your outside holiday décor up through February to help spread a little joy within the community.

Update your Facebook profile picture with a Lights On, Helena frame by searching for the "Lights On, Helena!" frame.

Share the project with your friends and family so they can join us! You'll find more info at helenaschools.org/lightsonhelena.
