

School District Declaration of Emergency

The Board of Trustees is authorized to declare that a state of emergency exists within the community. A declaration issued by the Board of Trustees is distinct from any declaration in effect or previously issued by local, state or federal authorities. An emergency declaration issued by the Board of Trustees authorizes the School District to take extraordinary measures to protect students and staff while delivering education services in a manner authorized by law. The method and location of instruction and related education service shall be implemented in a manner that serves the needs of students, their families, and staff and preserves the School District’s full entitlement of funding.
