April Newsletter

Issue 14

Elementary Schools will go back to school 5 days a week Starting next week!

Now that elementary schools will be in session on Wednesdays, we can ***no longer*** offer DLI meals from the same elementary buildings on Wednesdays.

Please refer to the new times and locations schedule to the right that will start April 14th. We know this new schedule may not meet everyone's needs, but we are doing our best to keep this program going for those families that have found it to be very helpful. If the times and location do not work, please call our offices and let us work with you 324-2570.

DLI Multi Meal Day Options

If your child is ***not*** in school, you are able to receive a **7-day** meal sack

If your student is in a middle or high school, you can receive a **3-day** meal sack

If your student is in elementary school 5-days a week, you can pick up **2-day** meal sack.
